PRESBYTERIANS WILL MEET MAY 19 AND 20

Many Important Matters for the General Assembly.

Several Marion Presbyterians are planning to attend the 123rd general assembly of the Presbyterian church at Winona Lake, Indiana, May 19 and 20.

Dr. S. S. Palmer, of Columbus, is moderator and will open the meetings on the morning of May 19.

Ninety large presbyteries have united in endorsing an overture which will be presented to the general assembly, asking that commissioners be elected for two years, instead of one, and that one-half of the number elected be held over to the next assembly. To make the overture effective, a change in the constitution will be necessary.

The question of women serving as deacons will also be discussed. Out of 302 presbyteries, 117 have voted on it. Columbus presbytery recently voted in opposition. Thirty-one other presbyteries are opposed, while eighty-five have voted for women deacons.

Many important financial problems will also receive attention. These will include refunding of the obligations to the Interchurch World movement; debts of the New Era movement, and foreign and home mission obligations.

The Presbyterian board of home missions will conduct its annual council on the Friday evening preceding the general assembly. It will continue in session until May 15.

Suit for divorce was filed in the common pleas court Friday afternoon by Burt Stevens against Della Stevens, charging gross neglect. They were married at Urbana, Illinois November 19, 1890, and have three children, one a minor.

The plaintiff charges the defendant willfully deserted him and their children for years at a time and since the last desertion two years ago, she has not returned. He asks for a divorce and custody of the minor child.

Harper Foreclosure Suit. Foreclosure proceedings against Elmer L. Harper, Ruth A. Harper and the Marion Savings Bank company were instituted in the common pleas court this morning through Attorney H. E. Hill by William M. Rhoades and Thomas J. Horton.

The plaintiffs allege that July 22, 1918, Elmer L. and Ruth A. Harper executed a note to them for \$845, secured by a mortgage on lot No. 5,535 in John Dwyer's third addition to Marion. They state there is due them \$417.95, ask judgment, foreclosure of the mortgage and their claim paid and that the bank be required to set up its interest in the premises.

Gallopway Divorce Decree. Maggie Gallopway today was granted a divorce from Levi C. Gallopway on the ground of gross neglect and extreme cruelty. The defendant was barred of all interest in the plaintiff's property and the plaintiff was restored to her maiden name of Chandler. The decree was ordered withheld for sixty days.

Case Is Settled. The case of Frank Dixon against Mrs. Flora Kockler was settled without record and the costs paid.

In the common pleas court today the suit resulted from the papering of three rooms by the plaintiff and was taken to the common pleas court on appeal from Justice Ernest G. Wildeman's court.

To Set Aside Decree. A motion by the defendant to set aside the decree of divorce granted the plaintiff April 19 was filed in the common pleas court today in the case of Nettie Arthur against Joseph Arthur. The motion sets up the claim that the court had no jurisdiction for the reason that the case was not at issue.

To Secure Costs. A motion to require the plaintiff to give security for costs was filed in the common pleas court today through DeGallie & DeGallie in the suit of Robert B. Toombs against Edward Baker. Toombs is suing for \$146.95 alleged due him for board, lodging and clothing furnished the defendant's daughter from September 4 to December 4, 1920.

SUNDAY, MAY 1, TO BE VACATION DAY

Presbyterian Church Will Observe It Nationally.

Sunday, May 1, will be observed by Presbyterian churches throughout the country as "vacation day."

Opportunities for service in the ministry and for Presbyterian mission fields will be stressed by pastors in their sermons which will be designed especially as aid to young people in selecting life vocations. Each young person will be asked to decide on a life task.

Openings, which will be offered, however, will not only include work in the ministry. The need for physicians in foreign countries, as well as nurses, agriculturalists, industrial instructors, teachers, bookkeepers, and purchasing agents of the Presbyterian churches and missions in foreign lands will also be outlined.

Work for women as matrons, laundresses and church secretaries, will be explained, together with the opportunities as teachers in undergraduate and theological schools, editors and translators.

PROBLEM OF FURNISHING MILK TO UNDERNOURISHED

Isaly Dairy Company Increases Its Baiting Average.

The problem of furnishing milk for undernourished children who come under the observation of Mrs. Esther Mack, Red Cross nurse, was brought to the attention of the court-house officials and attaches at a meeting in the office of the county commissioners, Friday evening, and as a result contributions of approximately \$15 were secured, in addition to a donation of \$25 worth of milk tickets a month by the Isaly dairy.

The meeting was held primarily to discuss the care of some tuberculous patients in Marion and when this question was disposed of, the problem of securing milk for the undernourished children some of whom are tubercular, was brought up by Mrs. Mack. The contributions of money from the court house attaches followed and when the dairy man was approached in an effort to secure a special rate for the purchase of the milk, he explained that under the system of selling milk on a commission basis a special rate is not practicable, but voluntarily made the donation of tickets.

POLICE COURT

FIRES SHOT WHICH KILLS PATROLMAN

Accuse Him of Murder.

Cleveland, April 23. (Herald.)—A patrolman shot and killed a man who was at the scene of the crime. The bodies of all three agree that the trouble started in a quarrel between Hunt and Anstehouse.

On the other hand, Hunt denies that he fired the shot, but declares that he heard the shooting and ran away. He admitted, however, that

William Murphy also a patrolman was at the scene of the crime. The bodies of all three agree that the trouble started in a quarrel between Hunt and Anstehouse.

When Mrs. Viola D. Romans, of Columbus, well known in Marion, where she has spoken frequently, registered Friday as a lobbyist for the No Tobacco League, clerks in the office of the secretary of state registered surprise. She is working for the Pence bill to compel all cigarette dealers to display their licenses conspicuously, the first step in activity of which the purpose is not quite clear to law-maker.

While waiting for her license Mrs. Romans told of her aim, which is to save children from nicotine. "Oh, yes," she sighed, "My husband smokes. He quit for three years and then he had about it that I was happy when he started again."

Notwithstanding the habits of her husband Mrs. Romans hopes to see that no boy, who will be future husband, start down the tobacco path. Mrs. C. L. Platter, of Yellow Springs, also registered as a lobbyist for the organization.

CITY IN BRIEF

Scouts Plan Pic.—Plans for a hike Sunday afternoon were made at the meeting of troop No. 3, Boy Scouts, Friday evening in the Y. M. C. A. building.

Nifty Couples at Dance.—About sixty couples enjoyed the dance given Friday evening in Schwinger's hall by the Catholic Ladies of Columbus. Wilson's Jazz orchestra furnished a program of dances for the evening.

Steps in Auto's Path.—Clara, ten-year-old daughter of Mr. and Mrs. R. McGill, of Silver street, was quite severely bruised and knocked unconscious when she was struck by an automobile driven by Charles R. Mouser, Friday about 1 o'clock. The accident happened on north Prospect street near St. Mary's school where she is a pupil. The child was returning to school and unexpectedly stepped into the path of Mr. Mouser's car. Mr. Mouser took her in his car to the City hospital. She regained consciousness during the night and was removed today to the home of her parents. No blame for the accident was attached to Mr. Mouser's driving.

New Neon Sign—A new electric sign has been installed on the spolia of the building of the Marion Steam Shovel company, on the north side of Center street, to replace the sign that has been used for little more than seven months. The new sign is a great improvement over the old one, which showed part of the operations of a steam shovel and attracted considerable attention. The new sign electrically displays more working features, has more flashing operations and better lighting. It is one of the largest signs of the kind in the state and occupies a commanding position on the tower so that it is visible for quite a distance. The sign is lighted by 1,250 lamps.

Jewish Easter.—Pesach, commonly called the Passover or Jewish Easter, was observed by the local Congregation of Israel with special services in the I. O. O. F. temple, Friday evening. The services were conducted by Henry Strilitz and were very well attended, a number being present from out of the city. Seder services were also held in a number of the residences of the members. Pesach is the spring festival of the Jewish people and was ordained to commemorate the redemption of the children of Israel from their bondage in the land of Egypt. The festival is observed throughout the world by orthodox and reformed Jews alike. Only unleavened food is consumed.

Dr. H. L. Uhler, Dr. J. A. Dotti, Dr. Dana O. Woods, Dr. C. A. Sawyer and Dr. R. C. M. Lewis expect to attend the seventy-fifth annual meeting of the Ohio State Medical association to be held May 3, 4 and 5 in C.

REICHEL-DILLON GO HERE MONDAY NIGHT

High-Class Bout Promised Ring-
side Fans at Armory.

For the first time, Marion, Marlon lovers of the boxing game will be given the opportunity of seeing a real titanic match at the armory, Monday night. This will be afforded in the union go of the Reichel-Dillon match on the card by the show to be staged by the Eagles, which is the holder of the amateur championship in his class, which he won two years ago.

Dillon has been in the ring less than a year as a boxer and has won all of his twenty-eight battles since that time, never failing to knock any of his opponents at least once. He has been fighting his way up the ladder and has met some of the best in his class and scored many victories by the KO route. Word received from his training quarters in Columbus, is the effect that he is in the best of shape and hopes to wrest the honors from Reichel.

Word received from the stable of Jimmy Dunn, of Cleveland, where Reichel has trained daily for the match, is to the effect that the boxer is in the best condition he has ever been, and believes he will be able to retain his honors, although he does not underestimate the ability of his opponent and is anticipating a hard match.

Eddie Conrad, of Cleveland, who will take on the battling Melman of Columbus, is considered one of the fastest boxers in Cleveland and is all class. There is no doubt that he will give Melman the best run the latter has ever had and prove a far more better opponent than Tommy O'Boyle. Both Reichel and Conrad are working out with (Ed) Delaney and getting the advantage of his ring experience.

With two additional bouts on the card that will be of much merit there is no wonder that the seats are being reserved in advance, but the local management has some good seats left, which can be secured at the cigar store of Market & Lewis, Dever & Hudson, and E. Minnighan. Efforts will be made to take care of a few late comers at the ticket window, but the advice is to secure your tickets early to secure the best possible.

MARKING TIME IN WASHINGTON

(Continued from Page One.)

land has invariably adopted an attitude less severe than France on a preparation question. The impression prevailed, today, in official and diplomatic circles, that the United States is in a strategic, though delicate position. It is confidently expected that a favorable reply will be received from Germany within the next forty-eight hours.

When this communication has been received and examined by the state department, it is expected that the Secretary Hughes will then take steps to ascertain informally whether the terms proposed by Germany are acceptable to Paris and London. The steps will be wholly informal. It is understood and taken carefully so as not to give any impression that the United States is standing sponsor for the German proposals.

Should the allied powers indicate that the new German proposals are acceptable as a basis for renewed negotiations, it is believed that the state department will dispatch them, with a short covering note in which it again will be made plain that the United States is merely acting as a transmitting agent for the mutual benefit of all concerned.

Should the allied response be unfavorable to the new German proposals, it is considered doubtful whether the American government would transmit the German proposals at all. In that event, it was said today, it is probable that this government would turn back the German offer with the explanation that it is not believed it presents a basis for renewed discussion.

In any event, it was emphasized today, the United States will take no steps calculated to embarrass the allies in their efforts to collect damages for Germany's war guilt. With these efforts, it was said officially, this government is fully in accord.

In Canton.
Canton, April 25.—The Northern Ohio Traction company, today, in a wage proposal to its motormen and conductors, proffered a reduction of fifteen cents an hour from the present scale, the proffer being designated as final. Arbitration is proposed as an alternative, the question to be settled by May 20.

The fifteen cents an hour reduction would bring the pay of city carmen of Akron, Canton and Massillon to a maximum of fifty cents an hour, while interurban men would receive a maximum of fifty-five cents an hour. The present maximum is respectively sixty-five and seventy cents, this figure being attained after three years' service.

The carmen have not yet indicated their attitude, but are on record as having rejected a slightly lower pay rate than offered. Meetings of the four unions affected are scheduled for next week, at which time it is expected that arbitration will be the prevailing sentiment.

WALDO IS TO HAVE BAND CONCERTS THIS SUMMER

Preparations for Waldo School
Commencement Soon.

Waldo, O., April 25.—[Special.]—The home of Mr. and Mrs. D. W. Benedict Sunday was the scene of a dinner party, the guests including Miss Ruth Shell, of Gahanna, and her guest, Miss Hazel Earl, of Columbus; Miss Mayme Rhodes, of Columbus; Odessa Spiller, of Bloomville; Priceville Smith, of Marion, and Isabelle Bowers.

A daughter was born Sunday to Mr. and Mrs. Walter Ruggles, east of town.

Honoring the recent marriage of Mr. and Mrs. Claude Cook, Mr. and Mrs. Charles Cook, parents of the young man, entertained Saturday evening a large company of relatives and friends at a miscellaneous shower. The company spent the evening with music, games and dancing. The newlyweds were presented a number of useful articles.

The initiation of the Lutheran work parlors took place Wednesday when the aid society gathered for an all-day meeting. The entire time was spent in home sewing and quilting. At noon a picnic dinner was enjoyed by the large number of members present.

The Waldo band is holding weekly rehearsals preparatory to giving open-air concerts during the coming summer.

Next Friday night at the Baptist church at Norton will be held the eighth grade commencement of the Norton schools. The graduates this year are Isabelle Cleveland, Alice Cleveland, Florence Landers and Roy McCoy. Rev. F. Watkins, of Delaware, will address the class.

The condition of William Schanck, who lives south of Norton, is still very critical. Mr. Schanck has been sick for four months suffering from kidney trouble.

The rain of the past few days has put the roads, south of town again in a terrible condition, rarely a machine being able to pass through without help.

Mrs. D. S. Draice, who has been here for several weeks at the home of her daughter, the late Mrs. Frank Thompson, returned Tuesday to her home near Mt. Sterling, taking with her the infant granddaughter, Mary Francis.

Next Wednesday night will be the beginning of the closing activities of the township centralized school. On that night will be the junior reception and banquet. On the following Friday night will be the High school play, "The Hashful Mr. Boggs." On Sunday night at the Lutheran church the pastor, Rev. Mr. Long, will deliver the baccalaureate sermon, and on the following Friday night will be the annual commencement. The 1931 seniors are Helen Lawrence, Erma Donithen, Robert Michels, Helen Groll, Viola Keller, Violet Laucher, Daisy Osborn and Elsie Markle.

Thursday morning while Mr. and Mrs. Arthur Denzer, east of town, were driving to town, the horse became frightened at a tractor covered with a canvas and being whipped by the wind. The horse became unmanageable, jumping into the ditch and throwing the occupants out. Mrs. Denzer was badly shaken up and bruised. Mr. Denzer was bruised about the face and head. The truck was completely demolished.

The two divisions were under the direction of Mrs. D. W. Selanders and Mrs. J. W. Gompf, the latter captain looting. There were about twenty-eight present.

Twenty-Nine Receive Degree Last Night

Had a cold and a headache, but the weather was so nice that I decided to go out for a walk. The sun was shining and the birds were singing. I felt much better and decided to go to the store for some groceries. I bought some apples, oranges, and a loaf of bread. I also bought some milk and butter. I was on my way home when I saw a car that had been wrecked. The car was upside down and the driver was lying on the ground. I stopped and tried to help, but I was too late. The car had been crushed and the driver was dead. I felt very sad and decided to report the accident to the police.

FAIRBANKS' GREATEST PICTURE!

"All the novelty of the first part of 'The Modern
Musketier,' the action of 'When the Clouds Roll By'
and the thrills of 'The Mollycoddle' sums up the good
of 'The Mark of Zorro.' As to production this has
cost a barrel of money. A lot of big expensive sets
have been required and the cast is a large one. Two
famous screen 'villians,' Noah Beery and Robert Mc-
Kim, officiate. The costuming is worthy of a spec-
tacle. And the stunts, well, Fairbanks has never put
over anything better."—Moving Picture News.

A RIOT OF ROMANTIC ADVENTURE!

"Romance, Adventure, Humor and settings of pic-
turesque beauty, 'The Mark of Zorro' contains them
all and more besides. The story is high-spirited and
happy hearted, one moment thrilling conflict, an-
other genuine humor, pleasing through its contrasts
and by virtue of its theme. The whole production
displays a high order of artistic achievement, and it
gave a vast audience at the Capitol full measure of
joy, an entertainment of the finest quality."—Moving
Picture World.

TRUST OF AMERICA GREAT

Continued from Page One.

It is interesting to note that the American government would have gladly recognized the soviet," Lenin is quoted as saying.

The publication of these reports gives some idea of the distrust with which some Japanese look upon Americans. General Tanaka, in his interview, was inclined to look upon the establishment of trade connections by Vanderbilt as not reliable. But it is a known fact that the newspapers of the country, which are among the most democratic influences in Japan, today, do not hesitate to speak of America, and the American trade expansion, as a menace to the power of the Japanese empire.

In the event of a war between Japan and America.

"If the soviet government had consented to sell Kamchatka to the Americans the American government would have gladly recognized the soviet," Lenin is quoted as saying.

The publication of these reports gives some idea of the distrust with which some Japanese look upon Americans. General Tanaka, in his interview, was inclined to look upon the establishment of trade connections by Vanderbilt as not reliable. JAPS LOOK TO UPKEEP OF NAVY

(Continued from Page One.)

liminary skirmishes this summer Yamamoto will be a likely candidate for premier. He is not the choice of the combined opposition parties as they stand today, this position today being filled by Viscount Kato, loyal worker against Hara, and one who has maintained through the entire diet this year his rank as chief of the opposition. How Kato stands with the hidden forces of Japanese government, which have their center perhaps at the villa of Prince Yamagata, at Odawara, is another question, and it is quite possible that in this test he would fail.

To the spectator in Tokio the forty-fourth session of the Imperial diet has not been altogether satisfactory. It has been, despite a few enlivening demonstrations at times, a dry carrying out of events which have been long prepared by a controlled ministry. And that ministry, militaristic enough in itself, may be followed by one expressly chosen to outdo the one which has gone before. The great failures, as acknowledged, partially at least, by Premier Hara himself, are education and suffrage. The great successes may all be conceded to the military.

The trouble with a great many young men who want to see life is that they imagine none of it is worth seeing by daylight.

A NAVY LORD GIVES VIEWS

Continued from Page One.

ter we are not engaged in a game of poker or of bluff, but in a sort of game where we ought to lay our cards on the table and discuss frankly with our friends what the future should be. The only point that remains to be settled is who is to make the first move to initiate the discussion. Still we are not disposed to stand upon ceremony in this or any other matter. We welcome the hint which has been thrown out by President Harding, and it will continue to be met with the most cordial and helpful response here. I can say this, that if the invitation comes from Washington personally I am prepared to put aside all other business, pressing though it may be, in order to take part in business than which there can be nothing more pressing in the affairs of this world."

HUDSON

Consider Its Low Cost

INSTINCTIVELY you group Hudson with the few cars men consider really great. But do you take note of its lower price?

Not one but scores of official records give Hudson its reputation. For five years it has been the largest selling line car. More than 100,000 owners regard it, not as a lower priced automobile but as a superior performing car of unquestioned reliability.

There is little in the qualities of any costlier car that make it as desirable. There is a price advantage in Hudson not met in any car of its quality.
